## Organic Birch Water with SUPERFOODS

### A gift of nature from wild harvests

Birch trees store nutrients in their roots during the Winter that are released in the Spring, when the sap provides new energy to the trees. Our birch water is sustainably hand-harvested in the pristine forests of Northeast Europe, using the traditional tapping method practiced for centuries.

- not from concentrate, not diluted
- less sugar than coconut water
- high in manganese

# Power from the Birch Tree

BIRCH POWER is the newest generation of organic birch water. We tap the power of the birch trees in the Spring, when birch sap has the highest level of nutrients. We add ARONIA Superfruit from Europe and MATCHA Superfood from Japan to make our extraordinary birch water even more powerful.

## PURE

Our birch water can be enjoyed in its purest form, with nothing added. Simply refreshing and rejuvenating, perfect for rehydrating your body after a workout. Ideal for a PALEO DIET.

**10**  
CALORIES  
PER BOTTLE

Ingredients: organic birch sap (99.9%), citric acid.

## CLASSIC

Traditionally, sweetness is added to birch water. That's why we add a small amount of natural sweetness from the agave plant to give our Classic birch water a perfectly balanced taste.

**30**  
CALORIES  
PER BOTTLE

Ingredients: organic birch sap (98%), organic sweet agave powder, citric acid.

## Aronia Superfruit

Also known as Chokeberry, Aronia is native to North America and is considered by many to be the most valuable superfruit available. Adding Aronia Superfruit to the birch sap makes it even more powerful - a unique and delicious combination.

**35**  
CALORIES  
PER BOTTLE

Ingredients: organic birch sap (90%), organic aronia juice (9%), organic sweet agave powder, citric acid.

## Matcha Superfood

For centuries, shade-grown matcha has been used by Chinese Taoist and Japanese Zen Buddhist monks for meditation. Matcha Superfood from Japan is added to the birch sap to achieve this superlative combination that tastes great.

**25**  
CALORIES  
PER BOTTLE

Ingredients: organic birch sap (98.4%), organic matcha powder, organic sweet agave powder, citric acid.
